

Supporting a Local Friend / Community Member Battling Cancer

#LoveForLinda

Linda Ash, a Pittsboro resident and employee of the Pittsboro Police Department and Pittsboro Town Hall, is currently undergoing treatment for cervical cancer. She is originally from West Virginia but has been a long-time Pittsboro resident, along with her two children, Dawson (age 19, sophomore at Univ. of Southern Indiana); and Kayla (age 15, freshman at Tri-West High School). Linda has always been a stellar community member by being involved with multiple community-related activities, including organizing National Night Out for 7 years, organizing Christmas in the Park, being the president for Parent Pride Group at Tri-West Middle School, and organizing many school-related activities/programs, among others. She is also a loyal friend to many, and is someone who is well-respected throughout the community. Her greatest accomplishment, however, is being a loving mother to her two children. Let's come together and show her how much we care, especially as she battles an illness that has affected her and her family.

HERE'S HOW YOU CAN HELP:

Due to Linda's recent diagnosis (summer 2019), which has caused her months of debilitating symptoms which ultimately caused her to take a leave from work during the spring 2019, along with her current treatment regimen (radiation and chemotherapy), Linda is unable to work and has thereby taken a leave from the police department and the Pittsboro Town Hall. As such, she is undoubtedly facing financial hardship in regards to the cost of living as well as medical bills. She was also recently hospitalized for a 2-week period. Her family and friends are requesting your assistance, as follows:

FINANCIAL DONATION - If you are able and willing to donate a monetary gift to Linda, please do so at this time or you may mail your donation to:

Lt. Christi Patterson

Pittsboro, IN 46167

Linda is quite humble and is unaware of her family and friends' request for the community support. There is no doubt that she will be extremely grateful and overwhelmed by the love and assistance provided to her by this wonderful community. This battle is tough, but she's tougher. Relieving some of her financial burden will provide much assistance with this fight! Thank you for your kindness and support of this wonderful family.

Linda and her children (taken summer 2018)
